<p><i>INSIDE THIS ISSUE</i></p> <ul style="list-style-type: none"> • EBNMP Fall Conference • Codex • DNM Associations • Seminars • Notice to DNM's • OIUCM Congress 	<p style="text-align: center;">CODEX</p> <p>Have you heard about Codex Alimentarius?</p> <p>Started in 1962 by UN and imposed by WTO Sanctions, Codex Alimentarius was created as a trade Commission by the UN to control the international trade of food. Its initial intentions may have been altruistic but it has been taken over by corporate interests, most notably the pharmaceutical, pesticide, biotechnology and chemical industries.</p> <p>Codex Alimentarius is backed up by the crippling trade sanctions of the World Trade Organization (WTO). Any non Codex-compliant nation would face huge economic punishment since they would automatically lose in any food-trade dispute with a Codex compliant country.</p> <p>For more information on Codex, contact Dr. Rima E. Laibow, M.D. directly at www.HealthFreedomUsa.org</p>	<p style="text-align: center;">DNM ASSOCIATIONS</p> <p>Due to the phenomenal growth and development of EBNMP Canada, we are pleased to inform you that your Provincial DNM Association will be responsible for any Provincial issues that may arise, include the following, based on the guidelines of EBNMP Canada:</p> <ul style="list-style-type: none"> • DNM Scope of Practice definitions • Patient Billing & Insurance Issues • DNM inquires, etc. <p>A representative of your provincial association will contact you in fall.</p> <p>If you have any questions or concerns, please feel free to contact us at the EBNMP Canada head office.</p> <hr/> <p style="text-align: center;">NOTICE TO DNM'S</p> <p>Advertising format for DNM</p> <p>Mary Jane Someone DNM Doctorate in Natural Medicine</p> <p>Advertising format for Registered Practitioners</p> <p>Mary Jane Somebody R.N.P. Registered Naturotherapy Practitioner</p>	<p style="text-align: center;">SEMINARS</p> <p>Physical Diagnosis - The History & Examination of the patient - Level 1 & 2 - Introduction to history & properly performed physical examination of the patient. It will allow the physician to gain an insight as to whether various organs or organ systems are functioning normally or abnormally. At the same time it should provide insight into the patient as a unique and individual person. It is important to understand the physiologic mechanisms responsible for normal functions before the physician can accurately interpret the disturbed functions that result from disease. Sept. 17 & Oct. 15, 06. NEC - 416-724-0891.</p> <p>Epidemiology / Public Health The Study of the relationship of various factors determining the frequency and distribution of diseases in the human community. It is the field of medicine dealing with the deterioration of specific causes of localized outbreaks of infection, toxic poisoning or other diseases of recognized etiology. Nov. 12, 06. NEC - 416-724-0891</p>
<p style="text-align: center;">EBNMP FALL CONFERENCE</p> <p><i>ODNMA is pleased to announce the upcoming EBNMP Conference and Investiture Ceremony to be held on Sunday October 8th, 2006 at the Radisson Hotel, Toronto East. All DNM's may renew their Hippocratic Oath at congress.</i></p> <p><i>This congress is free to all EBNMP Members in Good Standing plus one guest. Additional tickets are available for \$25.00 each.</i></p> <p style="text-align: center;">SPEAKERS WANTED!!!</p> <p><i>Please contact EBNMP Canada for further details or to present a Scientific Paper or Lecture at the Congress.</i></p> <p>416-335-7661</p>	<p><i>CONGRATULATIONS AND THANK YOU!!</i></p> <p>OIUCM USA celebrates a successful First World Congress of Integrated Medicine at the Harvard Club, New York City. Thanks goes out to the EBNMP members that attended to show support for the Open International University for Complementary Medicines and recognition for Prof. Dr. Sir Anton Jayasuriya's memory. Visit them at www.oicumglobal.com.</p>		

FROM THE BOARD OF GOVERNORS AND STAFF, HAVE A HAPPY AND HEALTHY SUMMER!!
