February 2023

On behalf of The Examining Board of Natural Medicine Practitioners™ Canada, and the World Board of Natural Medicine, this year we hope for longevity, peace and prosperity for all. Let us all anticipate a steady course in all lives, ours and our patients.

“Natural Medicine believes that a more wholistic approach to man in health and disease, than the one that is presently in scientific medicine, is possible and that The Practice of Natural Medicine Health Care can rejuvenate and the promote health and wellness.”

The Examining Board of Natural Medicine Practitioners™ continues to support Practitioners of Natural Medicine Healing through our not-for-profit organization, that licenses our members only using the Trade Mark titles Doctorate of Natural Medicine®, DNM®, Registered Acupuncture Practitioner®, RAP®, Registered Naturotherapy Practitioner®, RNP®, Registered Lifestyle Management Practitioner®, RLMP®, Registered Nutritional Medicine Practitioner®, RNMP® and Registered Ayurveda Practitioner® and Practitioner of Natural Healing™®

Renewal of membership is currently due and in order to allow for continued listing of active membership we kindly ask you to renew your membership by March 15, 2023 at latest. Attached is the renewal form that outlines the amount for each type of membership leve1 1-1V. A letter of Good Standing for the current year is issued on renewal, as Insurance Claim providers have made it mandatory for proof of Good-standing status in writing, as well as listing on our website.

If you joined us last year you may email us for a pro-rated renewal fee.

As we all gear up to normal, active levels there will be a new CEU's Program available to members, so look out for the listing soon.

Best regards,

EBNMP Canada Board of Directors
